JCNS Workshop 2024, Trends and Perspectives in Neutron Scattering: Functional Interfaces

Hard-soft interfaces

Evangelische Akademie Tutzing
Schloßstraße 2+4, 82327 Tutzing, Germany

Wed, October 9

9:00 AM

Hard-soft interfaces

Session | **Location:** Evangelische Akademie Tutzing, Schloßstraße 2+4, 82327 Tutzing, Germany

9:00 – 9:30 AM **The neutron reflectometer Super ADAM at ILL**

Speaker
Prof. Max Wolff

9:30 – 9:45 AM

Rheo-NR to study the ordering of soft polymer crystals at the solid-liquid interface

Speaker
Tim Günter

9:45 – 10:00 AM **Neutron reflectometry from interacting soft interfaces and not-so-thin films**

Speaker
Emanuel Schneck

10:00 AM
