

JCNS Workshop 2024, Trends and Perspectives in Neutron Scattering: Functional Interfaces

Wednesday, October 9, 2024

Hard-soft interfaces (9:00 AM - 10:00 AM)

time	[id] title	presenter
9:00 AM	[20] The neutron reflectometer Super ADAM at ILL	Prof. WOLFF, Max
9:30 AM	[17] Rheo-NR to study the ordering of soft polymer crystals at the solid-liquid interface	GÜNTER, Tim
9:45 AM	[43] Neutron reflectometry from interacting soft interfaces and not-so-thin films	SCHNECK, Emanuel
